## Magic Group in Business

To quickly mention and summarise MGIB, we offer a unique platform to generate new business opportunities whilst networking with like-minded people.

During 2022 we have had several Match Day Series events with a guest speaker at football games and we have also moved towards more social events creating memorable occasions and moments.

### Social Events in Numbers

During the last 12 months in numbers we have had:

2022 Business Breakfast with Scott McDonald	60 Guests
2022 YOT Club	170 Guests
2022 Race Day Gold Coast Turf Club	100 Guests
2022 Golf Day	124 Players
2022 Christmas Party	50 Guests

MGIB is designed to formally connect our business community, cultivate relationships and facilitate real leads and opportunities.

MGIB aims to provide philanthropic support to assist with facilities development and provide support to those who need assistance most with their registration fees.

Members of our Business Group are given the opportunity to become presenting partners of our social events and to give presentations at our match day series. We facilitate needs and lead meetings and we personally introduce members to others. Our social events allow our members to softly network. If you would like to hear more about getting involved with the MGIB now or in the future please contact Andrew Robinson to discuss.
